Meet Our Team

Michael Tang, Director of Dining Services

michael.tang@compass-usa.com

Meet Michael, Director of Dining Services. We took a few minutes to ask him some questions, here's what he had to say:

Q. What is your favorite thing to cook?

A. "My favorite station has always been the sauté station. I love flipping ingredients in the pan. I love trying to cook things that my mom would prepare for me when I was young. I'm always trying to get that specific flavor, realizing that the flavor was the love you put into the dish you create."

Q. What do you always have in your refrigerator at home?

A. "Eggs, butter, milk and every condiment of which you can think of. I love buying different sauces and spices from TJ Maxx."

Q. What do you like most about your job?

A. "Being able to spend more time with my family on the weekends and actually watching my son grow up."

Q. What do you always have in your refrigerator at home?

A. "Passionfruit juice, fish sauce, some form of truffle, hummus and seasonal vegetables."

Q. What do you like most about your job?

A. "How encouraged I am to create and to innovate, the often daunting challenge of keeping it all in front of me and executing well, and the pleasure of developing others."
