Jaime Garcia, Executive Chef

jaime.garcia2@compass-usa.com

Meet Jaime, our Executive Chef! Jaime was born and raised in Cocoyan County in Mexico; a town known for its artistic scenery. He grew up immersed in the arts and took an interest in food watching his

grandma cooking and learning her recipes and techniques. Growing up, he used to create menus for his siblings and charge them toys to eat some of his creations! Jaime traveled the world learning his craft and after 18 years of hospitality experience, we're very grateful that he brought his talents to share with us!
